## Who are GRES?

Formed in 1970, the Gravesend Railway Enthusiasts Society (GRES) is a society for people with an interest in railways in particular, although many of us also share enthusiasm for other forms of transport such as buses, trams, planes and shipping.

Membership of the Society costs £20 a year. For your subscription you get: 20 meetings with presentations from guest speakers in central Gravesend; ten issues of our newsletter "GRES Journal"; visits to places of Railway Interest and an annual coach outing.

Railway modelling is of interest to many of our members, and we currently have two OO gauge layouts - Gravesend West (currently being developed) and Windmill Hill (children's layout). GRES also holds its own Model Railway Exhibition once a year in November.

New members are always welcome, please come along and see what we do. For more details, please contact:  
Ella Marcar on 07703 657157 or visit: [www.gres.org.uk](http://www.gres.org.uk)
